

ID	Task Name	Start	Finish	Duration	Oct 2014																Nov 2014																Dec 2014											
					15	16	17	18	19	20	21	22	23	24	25	26	27	28	29	30	31	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20	21	22	23	24	25	26	27
1	Project Part 2	15/10/2014	16/10/2014	2d																																												
2	Project Part 3	17/10/2014	07/11/2014	22d																																												
3	Question View loading initial data	17/10/2014	17/10/2014	1d																																												
4	Question View displaying question data	17/10/2014	17/10/2014	1d																																												
5	Question View creating a question object	17/10/2014	17/10/2014	1d																																												
6	Question View creating an answer object	17/10/2014	17/10/2014	1d																																												
7	Sprint 1	17/10/2014	24/10/2014	8d																																												
8	Local Data Source Manager	17/10/2014	24/10/2014	8d																																												
9	Network Data Source Manager	17/10/2014	24/10/2014	8d																																												
10	Server Data Filter	17/10/2014	24/10/2014	8d																																												
11	Data Manager user context management	17/10/2014	24/10/2014	8d																																												
12	Sprint 2	25/10/2014	31/10/2014	7d																																												
13	Server Data Sorting	25/10/2014	31/10/2014	7d																																												
14	Data Manager Querying Interface	25/10/2014	31/10/2014	7d																																												
15	Sprint 3	01/11/2014	07/11/2014	7d																																												
16	Data Manager cross-source syncing	01/11/2014	07/11/2014	7d																																												
17	Project Part 4	08/11/2014	01/12/2014	24d																																												
18	Sprint 4	08/11/2014	14/11/2014	7d																																												
19	Sprint 5	15/11/2014	21/11/2014	7d																																												
20	Sprint 6	22/11/2014	28/11/2014	7d																																												
21	Sprint 6.5	29/11/2014	01/12/2014	3d
