1	Project Part 2	15/10/2014	16/10/2014	2d																																												
2	Project Part 3	17/10/2014	07/11/2014	22d																																												
3	Sprint 1	17/10/2014	24/10/2014	8d																																												
4	Sprint 2	25/10/2014	31/10/2014	7d																																												
5	Sprint 3	01/11/2014	07/11/2014	7d																																												
6	Project Part 4	08/11/2014	01/12/2014	24d																																												
7	Sprint 4	08/11/2014	14/11/2014	7d																																												
8	Sprint 5	15/11/2014	21/11/2014	7d																																												
9	Sprint 6	22/11/2014	28/11/2014	7d																																												
10	Sprint 6.5	29/11/2014	01/12/2014	3d																																												
11	UC1: Browsing Questions	17/10/2014	07/11/2014	22d																																												
12	#49: Create QuestionListActivity	17/10/2014	07/11/2014	22d																																												
13	#50: Create QuestionTaxonomyActivity	17/10/2014	07/11/2014	22d																																												
14	#51: Searching questions	17/10/2014	07/11/2014	22d																																												
15	UC1a: Browsing Most Upvoted Questions	17/10/2014	17/10/2014	1d																																												
16	UC1b: Browsing Most Upvoted Answers	17/10/2014	17/10/2014	1d																																												
17	UC1c: Browsing Favorites	17/10/2014	17/10/2014	1d																																												
18	UC1d: Browsing Recently Visited	17/10/2014	17/10/2014	1d																																												
19	UC2	25/10/2014	01/12/2014	38d																																												
20	UC2a: Creating a Question	25/10/2014	31/10/2014	7d																																												
21	#33: Question View creates a Question Object	25/10/2014	31/10/2014	7d																																												
22	UC2b: Creating an Answer	25/10/2014	31/10/2014	7d																																												
23	#34: Question View creates an Answer Object	25/10/2014	31/10/2014	7d																																												
24	UC2c: Creating a Comment	25/10/2014	31/10/2014	7d																																												
25	#41: Add comment button	25/10/2014	31/10/2014	7d																																												
26	#42: Edit View creates Comment	25/10/2014	31/10/2014	7d																																												
27	UC2d: Attaching a Picture	08/11/2014	01/12/2014	24d																																												
28	#43: Question View attaching a file	08/11/2014	01/12/2014	24d																																												
29	UC3	17/10/2014	07/11/2014	22d																																												
30	#48: Question Browser Sorting Questions	17/10/2014	07/11/2014	22d																																												
31	UC3a: Sorting Questions by Picture	17/10/2014	17/10/2014	1d																																												
32	UC3b: Sorting Questions By Date	17/10/2014	17/10/2014	1d																																												
33	UC3c: Sorting Questions By Score	17/10/2014	17/10/2014	1d																																												
34	UC4: Viewing a Question	17/10/2014	24/10/2014	8d																																												
35	#31: Question View Loads Initial Data	17/10/2014	24/10/2014	8d																																												
36	#32: Question View Displays Question Data	17/10/2014	24/10/2014	8d																																												
37	#37: Text Viewer Displays QAItems	17/10/2014	24/10/2014	8d																																												
38	UC5	08/11/2014	01/12/2014	24d																																												
39	UC5a: Upvoting a Question	08/11/2014	01/12/2014	24d																																												
40	#38: Upvote Button Question	08/11/2014	01/12/2014	24d																																												
41	UC5b: Upvoting an Answer	08/11/2014	01/12/2014	24d																																												
42	#39: Upvote Button Answer	08/11/2014	01/12/2014	24d																																												
43	UC5c: Favoriting a Question	08/11/2014	01/12/2014	24d																																												
44	#40: Favorite Button Question	08/11/2014	01/12/2014	24d																																												
45	UC6: Logging in	17/10/2014	24/10/2014	8d																																												
46	#44: Logging in	17/10/2014	24/10/2014	8d																																												
47	Backend (No Specific Use Case)	17/10/2014	07/11/2014	22d																																												
48	#23: Data Manager Querying Interface	25/10/2014	31/10/2014	7d																																												
49	#24: Server Data Filter	17/10/2014	24/10/2014	8d																																												
50	#25: Server Data Sorting	25/10/2014	31/10/2014	7d																																												
51	#26: Local Data Source Manager	17/10/2014	24/10/2014	8d																																												
52	#27: Network Data Source Manager	17/10/2014	24/10/2014	8d																																												
53	#28: Data Manager Cross-Source Syncing	01/11/2014	07/11/2014	7d																																												
54	#30: Data Manager User Context Management	17/10/2014	24/10/2014	8d																																												
55	#45: QAController	17/10/2014	07/11/2014	22d
